

## RESEARCH AND PUBLICATION CELL

### CHILARAI COLLEGE, GOLAKGANJ

Chilarai College, Golakganj has been striving for promoting research/innovation culture within its premises. The Cell aims at encouraging the faculties to carry out individual research activities in emerging areas. It motivates the faculties of the institution to conduct collaborative research work with the faculties of other HEIs, NGOs, and research funding bodies of regional, national and international importance. The committee shall remain valid for a period of three years w.e.f 16/04/2023.

1. Dr Bharat Bhusan Mohanty, Principal	Chairman
2. Mr Keramat Ali Sheikh, Asso. Professor & HoD, Philosophy	Convener
3. Dr Umesh Das, Asstt. Professor, Assamese	Joint Convener

- Objectives:
1. To disseminate information relating to the various research grants.
  2. To provide a support system to the students and young faculties of the college for preparing research proposals
  3. To organize seminars/workshops/conferences/faculty development programmes etc.
  4. To publish books, journals etc
  5. To motivate the students and faculties for research/innovative culture.
  6. To create awareness in maintaining the ethics in conduct of research.
  7. To encourage the faculties for collaborative research works.
