**ACTION TAKEN REPORT  
ON THE FEEDBACK OF STUDENTS**

Sl No	FEEDBACK REPORT	ACTION TAKEN
1	84.9% contents of the syllabus are completed in time and 14.9% remains incomplete	Permanent faculties are overloaded with classes and the college authority after due approval of the GB appoints part time teachers to contribute towards syllabus completion.
2	52.8% teachers adopt audiovisual materials in classroom teaching	All the teachers are encouraged to undergo training programmes for professional developments
3	Teachers should be engaged in imparting teaching learning through various online platforms	LMS ( Learning Management System) is procured by the college and from the next academic session, the learning management system will be made more functional
4	Reading space in the central library should be enlarged	A well-furnished reading room for students is prepared by the college.
5	Reprography facilities for students are not adequate in the central library	The action to be taken is under process
6	Facilities in college canteen are not adequate and cleanliness should be maintained.	The college is planning a detailed proposal for infrastructure grants to governments. The proprietor of the canteen is repeatedly reminded by the canteen committee to take care of the cleanliness aspect.
7	Increase of pure drinking water points, cleanliness of toilets should be made	Action to be taken is under process for increasing drinking water points for students and teachers. The college hires cleaners at regular intervals.
8	Indoor stadium and a playground are the immediate requirements of the college.	The college does not have sufficient land and fund for construction of indoor stadium. The college authority takes initiatives for more lands for extension of the existing campus. The college has acquired 15 bighas recently from government.

9	Students guidance and counseling cell, anti-ragging cell should be made more functional	Action to be taken is under process
